Greetings!

Thank you again for your leadership in this diocese. I hope the year is going well and we look forward to the annual report for your ministry.

The Annual Convention of the Episcopal Diocese of Missouri requests information from all of the organizational clusters, diocesan committees, task forces, and supported organizations. Your report will be included in the online convention booklet and the diocesan website, [diocesemo.org](http://diocesemo.org). The 181st meeting of convention this year is a virtual convention held November 19, 20 and 21, 2020.

Please include the work of your ministry from November 2019 through this November, as well as contact information for diocesan members wishing to know more about your organization or who'd like to support your ministry.

Reports are due by October 31, 2020. Please email to communications director Janis Greenbaum at [communications@diocesemo.org](mailto:communications@diocesemo.org).

We also invite you to make a video about the work of your ministry in addition to the written report by October 31, 2020. Some guidelines for the videos:

- No longer than 2 minutes in length
- MP4 file
- Upload video to this Dropbox file:
