What is Episcopal City Mission (ECM)?

ECM provides hope and healing for children age 11 to 16 in the Juvenile Justice System in St. Louis, primarily through our chaplains who represent the compassionate face of a loving God by:

- * Being a caring, non-anxious presence to children in trouble
- * Listening, spiritual guidance, Sunday worship
- * Offering life-changing programs
- * Facilitating special events: faith-based Hip Hop concerts, monthly birthday parties, holiday gifts
- * Distributing Bibles, books, journals, games, etc.

Why this ministry is so important:

Because we believe . . .

- * *in the* healing power of God's presence.
- * the children we serve are more than the worst thing they have done.
- * all children deserve a second chance.
- * children aren't disposable and are worth our time and attention.
- * the calming presence of our chaplains reassures the children *that someone cares about their spiritual well-being.*
