Annual Progress Report

Submitted to the 182nd Convention of the Episcopal Diocese of Missouri
November 20, 2021
Hosted Christ Church Cathedral in St. Louis, MO via Zoom

The Commission on Dismantling Racism is charged by the National Church and the Diocese of Missouri to promote racial justice in the Episcopal Church. The Commission expects to realize this objective by working toward the above stated vision and mission statements. To fulfill this charge, the Commission has focused its work on four major goal areas:

Goal 1: Increase the presence of the Commission in Diocesan and Congregational activities.

Goal 2: Train, educate, and update all members of the Commission on some aspect/component of racism.

Goal 3: Educate and inform so as to empower others to dismantle racism in the Diocese.

Goal 4: Increase the active membership of the Diocesan Commission on Dismantling Racism.

During the calendar year, the Commission provided the required fourteen-hour training for all ordained and leadership persons in the diocese. This training was conducted via Zoom on March 6, 13, 20 and 27, 2021.

The Commission offered the Annual Absalom Jones event on Saturday, February 27, 2021: Celebrating Absalom Jones: Pioneer, Prophet and Priest. The Diocese of Missouri offered an uplifting virtual celebration of the life

and ministry of Absalom Jones, which featured Presiding Bishop Michael Curry and other Black bishops in the Episcopal Church in an inspirational reading of Maya Angelou's poem, *Still I Rise*.

The Rt. Rev. Deon K. Johnson, Eleventh Bishop of The Diocese of Missouri, designed the liturgy and curated the video recordings from the bishops for the project, which was streamed on Facebook, YouTube and the diocesan website on Saturday, Feb. 27. Along with the poetry reading, the liturgy also featured a stirring sermon by the Rt. Rev. Gayle Harris, Bishop Suffragan of Massachusetts.

The Commission is partnering with the following churches in the diocese who have started their own journeys to dismantle racism where congregants live, work and play. Following are the updates on the various activities of each active program:

Christ Church Cathedral-Pursuing Racial Justice Group has since the last report, all PRJ meetings and activities were conducted virtually. PRJ activities during this time period included the following: PRJ held a virtual Trivia in November 2020 and in December 2020, we celebrated the principles of Kwanzaa virtually through video presentations and storytelling. In January we held a virtual MLK celebration. Our Black History Month (BHM) activities included the kickoff featuring African drumming and dancing, a sharing of the contributions of Black Unsung Heroes/Sheroes to America's story, Priscilla Dowden-White was our BHM preacher, a virtual BHM potluck, a drive-by blessing and donations to the St. Louis Black Repertory Theatre. During Lent, we facilitated a 5-week series on Becoming Beloved Community. In April, we submitted a seed grant application for a CCC Radical Storytelling project; it was not funded. Our annual planning meeting was held in May and some members viewed the webinar on The Racial Justice Audit of the National Church. In June we held a virtual Juneteenth celebration. We conducted two Big Reads – Citizen by Claudine Rankine in January and The Church Cracked Open by Stephanie Spellers started in September with a discussion each month through November. We are moving our Radical Storytelling Project forward. Our remaining 2021 activities include a virtual Trivia in November and the Kwanzaa celebration in December.

St. Timothy's Ministry of Racial Reconciliation (MORR) for the most part continued its work virtually. Starting in January, we participated in a 30 day

challenge, “ Do the Work”, by Rachel Cargle, author and activist, who has curated short learning pieces to help us think critically about racism in the U.S. and work to become better allies with the Black community. Black History Month was celebrated by recommending videos for each week showing accomplishments of Black Americans. Will Bolden and associates created two crossword puzzles that taught us more about this history. We benefitted greatly from guest speakers on a broad range of subjects: Rev. Shug Goodlow (Spiritual Care and the Black Lives Matter Movement), Rev. Dr. Ben Sanders (Race, Faith, and American Public Safety), Joy Weese Moll (School to Prison Pipeline), Dr. Dale Anderson (Opening Doors to racial Equity in Healthcare), Jen Bernstein (Advocacy in Jefferson City), Wesley Bell (Criminal Justice Reform) and Rev. Chester Hines (How Does Bias Impact Our Lives?). We engaged in group discussions including: “What happened Jan 6th through the lens of racism”; the Anti-Racism Covenant; a series of discussions around the book My GrandMother’s Hands, by Resmaa Menakem; The 1619 project; and the PBS show, "Love Wins Over Hate". In spring of 2021, we resumed Black Lives Matter vigils with West County Community Action Network.

St. Martin’s-Social Justice Ministry has been coordinating with Bernie Sammons on a food drive to help support the Claver House in the Ville neighborhood. This effort is part of the West County Collaborative. We have for the past two years been gathering and bringing food to Claver House for those in need.

St. John’s Episcopal Church Racial Justice ministry is in a period of exploring a path forward as they welcome the new priest in charge, Nancy Emmel.

The Commission on Dismantling Racism is currently conducting a Sacred Ground Race Dialogue Series. Sacred Ground is a sensitive, prayerful resource that creates space for difficult but respectful and transformative dialogue on race and racism. It invites participants to walk back through history in order to peel away the layers that brought us to today, reflecting on family histories and stories, as well as important narratives that shape the collective American story. It holds as a guiding star the vision of beloved community – where all people are honored and protected and nurtured as beloved children of God, where we weep at one another’s pain and seek one another’s flourishing.

The Commission will host its fourth annual conference and celebration on Saturday, December 4, 2021. This virtual event will be an experiential opportunity for all in the diocese to participate and become aware of the current programs and services being offered by individual parishes in the diocese.

Commission on Dismantling Racism Overview

The Commission on Dismantling Racism invites you to participate in the “Institutional Racism in Our Community: Sharing Our Stories” workshop at this year’s annual convention. This one hour session will focus on building a self-awareness and knowledge base about racism. Two types of racism will be the focus area for this session, individual and institutional racism. This session will include six breakout sessions for discussion of how individual and institutional racism manifests its presence in education, law enforcement, housing, healthcare, employment and transportation.

The Commission on Dismantling meets monthly on the first Saturday of each month, currently via zoom. In non-pandemic times we meet at one of the diocesan churches; most frequently meetings have been held at the Episcopal Church of the Holy Communion in University City. All interested persons in community are invited to attend and participate. Our vision is: As People living out our Baptismal covenant, we see our diocese reconciled to God by challenging racism in ourselves and society. Our work is guided by our mission statement: To dismantle racism through relationship building, dialogue, education and action.

The Commission hosts various programs and activities throughout the year to advance the knowledge, awareness and educational level of members of the Commission as well as all members of the diocese. In May of each year the Commission hosts an annual planning meeting to review its vision and mission and to set goals and activities for the coming calendar year. We invite your input in this process.

To learn more about the Commission and its work in the diocese I encourage you to review the annual report that has been submitted to this 181st annual convention. Please contact me or any member of the listed Commission members for additional information.

2015-A182 Address Systemic Racial Injustice

Resolved, That the 78th General Convention of the Episcopal church recognize that many Episcopalians find it challenging to understand or know how to respond to 21st century systemic racial injustices that still occur in multiple contexts including but not limited to education; employment; housing; health care; banking; voting rights; immigration; policing, courts, and prisons, etc. and be it further

Resolved, That the 78th General Convention affirms that the Gospel, our Baptismal Covenant, and our Marks of Mission call individuals, churches, dioceses, provinces, and the wider Church to find more effective and productive ways to respond to racial injustice as we love our neighbors as ourselves, respect the dignity of every human being, and transform unjust structures of society; and be it further

Resolved, That the 78th General Convention declare that “not knowing” and “not having the eyes to see and ears to hear” are serious obstacles to transforming unjust structures and therefore direct the Church at every level for this triennium to commit to increase the use of study, education, research, anti-racism training, liturgies, and Christian Formation instruction that specifically addresses systemic racial injustice; and be it further

Resolved, That the 78th General Convention urge the Church at every level to increase the number of dialogues about systemic racial injustice it has with local, state and national bodies within the public and private spheres and that these dialogues be used to identify, examine, and offer correctives to policies and practice s within and among these bodies that result in systemic racial disparities and injustices; and be it further

Resolved, that the 78th General convention urge dioceses and congregations to create vehicles for listening to diverse neighbors and developing reconciling relationships; such options might include (a) listening campaigns in local communities, (b) partnerships with churches and organizations comprised predominately of a different race or culture (especially those targeted by oppression), (c) neighborhood prayer walks, (d) storytelling and speak-out events designed to facilitate truth-telling, healing and action, (e) and others with which leaders throughout the church are familiar; and be it further

Resolved, that the 78th General Convention encourage Justice and Advocacy Ministries to partner with other church offices and organizations as appropriate to host, resource, and moderate an ongoing online forum for Episcopalians dedicated to the ministry of racial justice and reconciliation, with spaces dedicated to sharing about local and diocesan efforts and resource; and be it further

Resolved, That the 78th General Convention encourage Justice and Advocacy Ministries to partner with Youth Ministries to commission a gospel-centered, Internet-integrated, action-oriented, anti-racism youth ministry curriculum for congregations throughout The Episcopal Church, including those not in the United States, to be provided in English, Spanish and Haitian Creole; and be it further

Resolved, That the Standing Commission on Liturgy and Music produce and post online a set of prayers for racial reconciliation and justice, suitable for inclusion in the Prayers of the People; and be it further

Resolved, That the 78th General Convention urge the Executive Council to conduct its own internal audit to assess to what extent, if at all, racial disparities and systemic racial injustices exist within the Church (including but not limited to clergy salaries and deployment); and be it further

Resolved, that the 78th General Convention request that the Executive Council report back to the 79th General Convention on the results of the internal audit; what concrete steps it and the wider Church took to address systemic racial injustice in the wider culture, and how effective those steps were.

A045 Revision and Reminder of Anti-Racism Training Requirement

Resolved, the House of Deputies concurring, that we acknowledge that not all dioceses have followed the spirit of the anti-racism training required in Title III or General Convention Resolution 2000-B049 regarding training of all ordained persons and lay leadership; and be it further

Resolved, that we acknowledge that the work of dismantling racism is an essential part of spiritual formation; and be it further

Resolved, that the 79th General Convention re-affirms the necessity and importance of anti-racism training for the lay and ordained leadership of The Episcopal Church, including all ordained persons, professional staff, and those elected or appointed to committees, commissions, agencies, task forces, and boards; and be it further

Resolved, that the Executive Council Committee on Anti-Racism and The Episcopal Church staff, The Absalom Jones Episcopal Center for Racial Healing and Christian Formation professionals be encouraged to work together to continue to expand the resources available for trainings that can be adapted to different contexts and that address the multiplicity and intersectionality of oppressions that exist in society, and maintain online a recommended list of curricula and programs as they are developed, that could be used for anti-racism training and for training facilitators; and be it further

Resolved, that the lay and ordained leadership of The Episcopal Church are also expected to engage in ongoing spiritual formation and education focused on racial healing, justice, and reconciliation as part of our Church's commitment to Becoming Beloved Community; and be it further

Resolved, that each committee, commission, agency, task force, and board, and each province and diocese maintain a register of those who have participated in training, and annually report to the Executive Council through the Executive Council Committee on Anti-Racism by January 1 each year, how many people have participated in training and what other Becoming Beloved Community formation opportunities have been offered and that the Council report on this information to future General Conventions until such time as the Executive Council Committee on Anti-Racism or its succeeding body determines it is no longer necessary.

2015-C019 Work for Racial Justice and Reconciliation

Resolved, That the 78th General Convention of The Episcopal Church confesses that, despite repeated efforts at anti-racism training as well as racial justice and racial reconciliation initiatives including the passage of more than 30 General Convention resolutions dating back to 1952, the abomination and sin of racism continue to plague our society and our church at great cost to human life and human dignity; we formally acknowledge our historic and contemporary participation in this evil and repent of it; and be it further

Resolved, That in the wake of the brutal, overtly racist murders of nine of our Christian brothers and sisters of Emmanuel African Methodist Episcopal Church on June 17, 2015; numerous inexcusable deaths of unarmed black men and youth at the hands of law enforcement personnel; and the moral atrocity of mass incarceration in which a hugely disproportionate number of persons of color have been unfairly caught in the net of an unjust criminal justice system, the 78th General Convention affirms as a top priority of The Episcopal Church in the upcoming triennium the challenging and difficult work of racial reconciliation through prayer, teaching, engagement and action; and be it further

Resolved, That the church understands and affirms that the call to pray and act for racial reconciliation is integral to our witness to the gospel of Jesus Christ and in our living into the demands of our Baptismal Covenant; and be it further

Resolved, That the Presiding Bishop, President of the House of Deputies, Vice President of the House of Bishops, and Vice President of the House of Deputies be charged to lead, direct, and be present to assure and account for the church's work of racial justice and reconciliation; and be it further

Resolved, That the General Convention request that the Joint Standing committee on Program, Budget and Finance consider a budget allocation of \$1.2 million for the Triennium for the implementation of this resolution.

RE: Establishing a Minimum Time Length for Anti Racism Training

Resolved, That the Executive Council meeting in Parsippany, New Jersey from June 11-14, 2007, establish a minimum requirement of fourteen (14) hours of anti-racism training that is called for in Resolution GC2000-B049 and GC2003-A010.

Explanation

- 1. Racism is so deeply entrenched in both the Church and society that it is impossible to make an impact even at the Awareness level in fewer than fourteen hours.**
- 2. The current national Anti-Racism training program, “Seeing the Face of God in Each Other” is based on the National Dialogue on Anti-Racism methodology which**

was designed for twenty (20) hours in dialogue and interaction.

3. The eradication of racism in individuals, groups, and institutions is a lifetime endeavor; indeed there is no quick fix. Often, a great deal of time is consumed working through various forms of resistance to the work. Consequently, this suggested minimum time length of training is a bare minimum, and it is in accordance with sound training theory and practice which suggests that for the gradual development and understanding of a topic through the use of both the mind and heart, a longer period of time is required. Fourteen hours of training would increase the probability that knowledge and insights gained in the first day (seven hours) of training would be reinforced on the second day.

4. In order for the full impact of anti-racism training to be experienced and perpetuated, this suggested minimum length of training is strongly urged.

Resolution A123 now Resolution A143 effective General Convention 2009

Title: Slavery and Racial Reconciliation

Topic: Reconciliation

Committee: Social and Urban Affairs

House of Initial Action: Bishops

Proposer: Executive Council

Resolved, That the 75th General Convention of The Episcopal Church declare unequivocally that the institution of slavery in the United States and anywhere else in the world, based as it is on “ownership” of some persons by other persons, was and is a sin and a fundamental betrayal of the humanity of all persons who were involved, a sin that continues to plague our common life in the Church and our culture; and be it further

Resolved, That The Episcopal Church acknowledge its history of participation in this sin and the deep and lasting injury which the institution of slavery and its aftermath have inflicted on society and on the Church; and be it further

Resolved, That we express our most profound regret that (a) The Episcopal Church lent the institution of slavery its support and justification based on Scripture, and (b) after slavery was formally abolished, The Episcopal Church continued for at least a century to support de jure and de facto segregation and discrimination; and be it further

Resolved, That The Episcopal Church apologize for its complicity in and the injury done by the institution of slavery and its aftermath; we repent of this sin and ask God's grace and forgiveness; and be it further

Resolved, That the 75th General Convention of The Episcopal Church through the Executive Council urgently initiate a comprehensive program and urge every Diocese to collect and document during the next triennium detailed information in its community on (a) the complicity of The Episcopal Church in the institution of slavery and in the subsequent history of segregation and discrimination and (b) the economic benefits The Episcopal Church derived from the institution of slavery; and direct the Committee on Anti-Racism to monitor this program and report to Executive Council each year by March 31 on the progress in each Diocese; and be it further

Resolved, That to enable us as people of God to make a full, faithful and informed accounting of our history, the 75th General Convention of The Episcopal Church direct the Committee on Anti-Racism to study and report to Executive Council by March 31, 2008, which in turn will report to the 76th General Convention, on how the Church can be "the repairer of the breach" (Isaiah 58:12), both materially and relationally, and achieve the spiritual healing and reconciliation that will lead us to a new life in Christ; and be it further

Resolved, That to mark the commencement of this program the Presiding Bishop is requested to name a Day of Repentance and on that day to hold a Service of Repentance at the National Cathedral, and each Diocese is requested to hold a similar service.

EXPLANATION

Other institutions have addressed their failures in various respects with regard to slavery and its aftermath, including an apology issued by the U.S. Senate for not having enacted federal anti-lynching legislation during the post-Civil-War period. The United Methodists in Alabama recently led a walk to a Birmingham church as part of a service to repent of racial injustice and to pledge to be more inclusive. In addition some dioceses, such as, Chicago, Maryland, and Newark have undertaken a study of the concept of reparations.

It is important to recognize that much of the U.S. economy was built on the basis of slave labor. There are plenty of data that prove beyond doubt that African Americans are a disproportionate part of the nation's poor. No one who is paying attention can fail to recognize that race discrimination is still very much part of the fabric of life in our nation and in our Church. Sometimes it is subtle, sometimes it is inadvertent, but it is plainly there. This resolution complements anti-racism training and other activities that are promoting justice and racial reconciliation in the Episcopal Church.

Resolution Number: 2006-A127 now A144 effective with the General Convention 2009

Title: Endorse Restorative Justice and Anti-Racism

Legislative Action Taken: Concurred as Amended

Final Text:

Resolved, That the 75th General Convention of The Episcopal Church endorse the principles of restorative justice, an important tool in implementing a neutral articulation of the self-examination and amendment of life that is required to fulfill our baptismal covenant; and be it further

Resolved, That the 75th Convention, in support of and to enhance Resolution A123, call upon the Anti-Racism Committee of Executive Council to design a study and dialogue process and materials in order to engage the people of The Episcopal Church in storytelling about historical and present-day privilege and under-privilege as well as discernment towards restorative justice and the call to fully live into our baptismal covenant; and be it further

Resolved, That in the spirit of inclusion, dioceses also be invited to determine whether their call is to conduct truth and reconciliation processes in regard to other histories and legacies of racial discrimination and oppression that may be applicable in their geographic area, while not diminishing the strong call to focus on the history and legacy of slavery; and be it further

Resolved, That the dioceses will give a progress report to the Anti-Racism Committee. The Anti-Racism Committee will report their findings and recommendations to the Standing Commission on National Concerns and to Executive Council and to the 76th General Convention; and be it further

Resolved, That the Church hold before itself the vision of a Church without racism; a Church for all races.
