

Task Force on Hunger

Annual Report

Task Force on Hunger members are volunteers from congregations throughout the Diocese of Missouri. We meet 6 times a year to carry out the business of supporting, and acting on behalf of, hungry persons by:

- Funding food ministries
- Raising awareness about hunger-related issues
- Serving as a resource to food ministries within the Diocese of Missouri
- Advocating on behalf of hungry persons within the diocese

The goals for 2021 were to have a fundraiser and to recruit new members especially from the rural areas. This past May we held our first contactless fundraising dinner.

The task force will continue to raise awareness, be a resource for food ministries and advocate for programs and policies that affect hungry people.

If interested in joining please email, Jane Mayfield, Chair at Jane.Mayfield@outlook.com.
