October 24, 2023

Dear Missouri Jobs with Justice Ally,

Missouri Jobs with Justice has had a busy 2023! The support of our member organizations and allies has made our fight for fair wages, workers' rights, affordable health care, and a democracy that works for all Missourians possible. In order to continue this work in 2024, we need to have the necessary resources to engage people around these important issues.

**We are asking that you continue to support Missouri Jobs with Justice by participating in our Annual Year End Celebration on December 6th from 6-8 pm at Painters District Council 58.** Enclosed you will find the 2023 Annual Year End Celebration Sponsor form and a flyer for the event.

We hope you can join us to celebrate all the work we've done in 2023!

You play a vital role in improving the lives of working people and we need your support to continue building power in Missouri. **We ask that you consider becoming a sponsor of this event individually or as an organization.** Together we can win!

In Solidarity,

Ashli Bolden  
Deputy Director

Teresa Danieleley  
Champions Organizer
