Bible Women: Finding Restoration & Redemption

with guest speaker
The Rev. Lindsay Hardin Freeman

Bible women were survivors — tough and bold, striking out for healing and finding it — with God's help. Yet many of them also experienced significant hardship in their own lives. Explore how they found redemption and restoration, and what they have to teach us.

A Minnesota-based Episcopal priest, Rev. Freeman has won more than 30 awards for journalistic excellence. For four years, she and her research team worked to do something never done before: document every word spoken by women in the Bible. The resulting 477-page book, *Bible Women: All Their Words and Why They Matter*, was published by Forward Movement and co-sponsored by The Episcopal Church Women.
