

Transfiguration Episcopal Church
Part-Time Parish Musician
Job Description

Transfiguration Church in Lake St. Louis is looking for a musician to accompany congregational singing at our 10:00 am service on two Sundays per month (to be determined by rector and musician). We are looking for someone who is enthusiastic about music and able to encourage singing.

The rector will provide the musician – well in advance - with a list of hymns/songs to be played for each Sunday that the musician is with us. If so inclined, the musician may also elect to offer a prelude and/or postlude for the service.

The church has a baby grand piano and an electronic keyboard available for use. We are open to other methods of accompaniment, such as guitar or violin.

The musician would be paid a flat rate of \$125 per Sunday service.

Note: prospective applicants should be comfortable with wearing a mask during the service.

Interested? Send a resume and letter of intent to rector@transfigurationchurch.org
