## **What is Episcopal City Mission (ECM)?**

ECM provides hope and healing for children ages 11 to 18 in the Juvenile Justice System in St. Louis, primarily through our chaplains who represent the compassionate face of a loving God by:

- \* Being a caring, non-anxious presence to children in trouble
- \* Listening, spiritual guidance, Sunday worship
- \* Offering life-changing programs like “Put the Gunz Down” to curb gun violence, as well as community-based grief/loss groups
- \* Facilitating special events: faith-based Hip Hop concerts, monthly birthday parties, holiday gifts
- \* Distributing Bibles, books, journals, games, etc.

## **Why this ministry is so important:**

*Because we believe . . .*

- \* *in the healing power of God’s presence.*
- \* *the children we serve are more than the worst thing they have done.*
- \* *all children deserve a second chance.*
- \* *children aren’t disposable and are worth our time and attention.*
- \* *the calming presence of our chaplains reassures the children that someone cares about their spiritual well-being.*
